**Dr Jason Leong** is a medical doctor now turned Malaysia’s funniest comedian, according to Dr Jason Leong!

*“A gifted storyteller*

Malay Mail

In a world with an abundance of performers and a shortage of medical staff, Jason Leong’s transition from doctor to comedian is a big jump. As the old adage goes, laughter is the best medicine – and Dr Jason Leong is returning to Australia with prescriptions for laughter for a series of shows which will include the Melbourne International Comedy Festival in March – May 2024.

Dr Jason Leong has had a hectic couple of years becoming the first comedian from Southeast Asia to have TWO comedy specials on Netflix – **Hashtag Blessed** (2020) and **Ride With Caution** (2023).

Leong has also been a fan favourite with multiple appearances on Channel 10’s Have You Been Paying Attention.

The Doctor returns to Australia after putting his name well and truly on the world comedy map after selling out the global tour of his previous show **BRAIN BRAIN**, which culminated in Leong becoming the first Malaysian comic to appear at the prestigious invite-only **Just For Laughs** in Montreal.

Since he turned to comedy, Leong has been featured on Comedy Central, and performed in India, Dubai, Singapore, and Hong Kong. He was the first Malaysian to perform at **Laugh Factory** in Hollywood, as well as the prestigious **Comedy Cellar**, **Caroline's At Broadway** and **Gotham Comedy Club** in New York City.

Don't miss the good doctor's new show for a good dose of laughter - Book now!
