***AZIZ ANSARI is coming to Australia for his first tour with three very special shows.***

Comedian and actor **Aziz Ansari** is best known for his role as the cocky yet lovable **Tom Haverford** on the **Emmy Award** nominated series **Parks and Recreation** playing a small time government employee bent on becoming a “Diddy” like mogul. Considering he's cameo'd in a **Jay-Z** and **Kanye West** music video, counts **Quentin Tarantino** as a fan and has **Barrack Obama** 'keeping him humble and hungry', it seems Ansari's real life is doing just fine.

In addition to his role on Parks and Recreation Ansari has also had supporting roles on **Scrubs**.

Aziz is also an accomplished (and hilarious) stand-up and makes up one third of the sketch comedy group **Human Giant**. Ansari performs his logically surrealist comedy with infectious energy and is one of the best young comedians of the 2000's. In 2006 he won the **Jury Award** for “**Best Stand Up**” at the **US Comedy Arts Festival** in Colorado.

Ansari recently released his second hour long special **Dangerously Delicious** online and is following this up with the all-new **Buried Alive** – an evening of bewilderment and disillusion.

Ansari is also keeping busy in the film world and was most recently seen starring in the action comedy **30 Minutes or Less** opposite **Jesse Eisenberg** and **Danny McBride**. He will next voice a character in the **Twentieth Century Fox** animated film **Ice Age: Continental Drift**, and he's in production on **End of the World**, which he co-stars opposite **Seth Rogen, Jay Baruchel, Jonah Hill, and James Franco**. **Mandate Pictures** also picked up a comedy feature pitch by Ansari and **Matt Hubbard**, which he will star in alongside **Danny McBride**.

Additionally, Ansari is developing three films for **Judd Apatow** and director **Jason Woliner**. The collaboration with Judd began on Universal's **Funny People**, where Ansari created the popular character of '**Raaaaaaaaandy**,' who went on to become a viral hit on **FunnyOrDie.com**. Ansari also appears in **Get Him to the Greek** alongside **Russell Brand, Jonah Hill** and **Sean 'Diddy' Combs**, as a co-worker of Hill's character. He has had roles in the hit comedies **I Love You, Man** and **Observe and Report**.

Don't miss these exclusive shows by Aziz Ansari as they will sell out quickly!
