British surrealist, comedian, actor, artist, DJ and musician, **Noel Fielding** returns to Australia for the first time in nearly ten years – for two very exclusive shows.

Noel Fielding (aka Vince Noir), is co-creator and one half of the award winning comedy duo **The Mighty Boosh** who have written and appeared in 3 highly acclaimed series of ‘**The Mighty Boosh**’ for **BBC3** and **BBC2** and **Adult Swim** in America. They have completed two UK tours, playing at packed venues including London’s **02 Arena** and **Wembley Arena** and also hosted their very own **Mighty Boosh Festival**.

Noel, born in Westminster in 1973, is a highly regarded comedian in his own right, his show **Voodoo Hedgehog** was a **Perrier** nominee and his regular appearances to sell out crowds at the **Royal Albert Hall** in support of the **Teenage Cancer Trust** have won rave reviews.

“Freewheeling, contagious and delightful”

The Guardian

Hailed by Grammy award winning duo **Cheech & Chong** as a ‘drug test’, Field’s self-diagnosed ‘logie problem’ has resulted in some of the most outlandish and memorable characters in recent years including a small pink head with tentacles, a cockney hitchhiker with a polo mint eye, a bongoist and a hermaphroditic merman!!

Noel is the **Team Captain** on the music panel show **Never Mind the Buzzcocks** and has made guest appearances on shows including **The Big Fat Quiz of the Year** and **Friday Night with Jonathan**

Ross. His first solo television series '**Noel Fielding's Luxury Comedy**' was broadcast this year and his other television work includes appearances in **Nathan Barley**, **Garth Marengi's Dark Place** and three series' of **the IT Crowd**.

Be quick as these exclusive solo shows by the hilarious Noel Fielding will sell out fast!
