Born and raised on Long Island, NY, John exhibited psychic abilities from an extremely early age, and was deemed "special" by many in his family. The fact that he would uncannily know family history and events that took place prior to his birth solidified that fact. Because no fuss was made over these early experiences, he maintained as normal a childhood as possible. Since Psychic Phenomena was so accepted by his family, it was easy for his abilities to flourish. John embarked on developing his own abilities after an encounter with famed psychic Lydia Clar. Lydia made him aware of his abilities and told him his life's work would be teaching people about it. That mission has been channeled into his work as a medium, which enables him to bring comfort and hope to people by reuniting them with those who they loved, lost...and crossed over.

John resides on Long Island, New York with his wife Sandra and their children, Justin and Olivia, and their three dogs: Coco, Sydney and Lucky!

Anyone attending a John Edward Seminar should anticipate and feel as if they are part of a large "Crossing Over" television gallery. There will be Question and Answer sessions, a guided meditation and messages from the other side. No one attending a seminar is guaranteed a reading.
