Gabriel Iglesias has been described as unbelievably funny, electrifying, and a gifted performer who has the ability to consistently deliver a quality comedy experience in every venue he performs in. His high-octane show is a hilarious mixture of **storytelling, parodies, characters** and **sound effects** that bring all his personal issues to life. Gabe's clean, animated comedy style has earned international crossover appeal. Ask anyone who has seen him in concert and you will probably hear the same thing, "**He was so funny!**"

Known as the "fluffy" comic in a Hawaiian shirt, the 33-year old funny man often riffs about his girthy middle, whether it's talking about how little dancing it takes for him to work up a sweat at the nightclub, or how hearing his girlfriend coo the words "chocolate cake" over the telephone works for him like phone sex, he evokes laughter. His many YouTube clips have had well over **3 million** hits each.

Gabriel J. Iglecias was born in San Diego and grew up mostly in Long Beach. "My Dad wanted to name me Jesus Jose Iglesias, but my Mom said there were too many Jesus's and Jose's in Mexico, and since my Dad wasn't there when I was born she took it upon herself to name me Gabriel. If you notice my last name above has a C where there should be an S. Well my Mom was pissed off that my Dad was not there for his only son's birth, so to mess with his "machismo" (Dumb Mexican Pride) she changed the spelling of my last name to annoy him. Now every time I check into an airport they can't find my last name in the system, and it's because 33 years earlier my Dad couldn't get his macho ass to the hospital!!!!!"

Gabriel's mass appeal opened the door to an opportunity to film a second one hour special DVD entitled "**I'm Not Fat... I'm Fluffy**" Live from El Paso which premiered on **Comedy Central** late last year following the huge success of his first special "**Hot and Fluffy**". The show is packed with a perfect blend of impeccable voice skills and an uncanny knack for hilarious storytelling that Gabe is renowned for. His vast imitative skills re-create numerous sound effects from speeding cars to microwave ovens to a plethora of dead-on voices.

Gabriel's television credits include; "**Last Comic Standing**", ABC's "**My Wife & Kids**", Showtime's "**Resurrection Boulevard**", "**Jimmy Kimmel Live**", "**The Tonight Show with Jay Leno**", "**The Tonight Show with Conan O'Brien**", "**Good Morning America**", "**The Late Late Show**", FOX TV's "**The Family Guy**", "**Showtime at the Apollo**" and BET's "**Comic View**."

His mum is his biggest fan, even though she doesn't get the jokes!

Gabriel's "**Hot and Fluffy**" DVD is available in Australia now in any good retailer and "**I'm Not Fat I'm Fluffy**" will be released to coincide with the tour.
